Dear Mr. Bishop;

Thank you for your letter and the other information you sent about your work on Bishop Castle.

I have just returned to Los Angeles after a few months on the road to a very large pile of letters. Needless to say it will take me some time to go through everything and respond in a substantive manner.

This letter is to inform you that it might be a while until I really get a chance to read over the material and get back to you.

SPACES resources (staff and volunteers) are limited, but we will do what we can.

Keep up the good works.

Our best.

Sincerely,

Seymour Rosen
Director
