Dear Mr. Rosen:

Please except my apology for the delay in replying to your letter. In regard to the article I sent you on Pop Schaffer, "Pop Schaffer's Animals Grow on Trees," I do not know the magazine it appeared in. A copy of the article was in our file on Pop Schaffer, but there is no indication as to what publication it came from.

As far as photos go, we do not have any photos of his work in our files. I have enclosed a polaroid of one of the root monsters. I hope this will help as a record shot.

I am sorry not to be of more help.

Sincerely,

Judith Chiba Smith
Curator of European &
American Collections
