Dear Jonathan,

Please excuse me for breaking precedence and answering your letter so quickly.

I enjoyed reading the proposal for the flight show, it's great. The book articles and the clippings, will slip into the network here in the provinces.

I vote for James Burke or anyone over Robert Hughes as a speaker.

We've received a Purchase Order from the University, but it only covers issues of the Newsletter, not membership nor the book, In Celebration of Ourselves, which you mentioned in your letter to me. Enclosed is another membership form. I really appreciate your interest and support of our activities.

Also enclosed are some newspaper articles, which I hope may be of interest to the research component for the Flight show.

My best,

Seymour Rosen
Director
