To SPACES:

Thank you for the publications which I recently requested of you.

I notice one "problem" with the materials I received: I probably filled out my request form poorly so you had trouble knowing precisely what I wanted, since I did not receive from you a copy of Newsletter #2 - a copy of N/L \*I was enclosed instead- which I already have.

I would indeed like to have a "full run" of the N/L; would you kindly send me a copy of N/L #2?

I am returning my extra copy of N/L\*1 under separate cover.

I am enjoying all the readings sent. Thanks.
