Greetings!

Enclosed is a reprint of our article about The Fred Smith Wisconsin Concrete Park Project published this month in Historic Preservation. We all realize the importance of projects like this one, and positive reinforcement through your letters to those responsible for funding and organization of Grass Roots preservation projects will help to insure preservation of the other sites immediately in need of attention. Please send your letters of support to:

*Sharon,
if you know anyone else
whose letter would help,
please encourage them
to write.*
